ABOUT US

Chief Executive Officer

En Nik Mustafa bin Dato' Hj Nik Lah

En Nik Mustafa bin Dato' Hj Nik Lah, founder and owner for Twin Prestige Logistic Sdn Bhd have wide experience in total logistics solutions, serving both the domestic and international market, including acting as a customs clearance agent in Malaysia. Since then, we have expanded our services to become a total logistics provider, offering multimodal services, including air, sea, and land transportation. We strive to be the best logistics and transportation company in Malaysia.

Our responsibility to distinction is demonstrated through our industry credentials. We are authorized from Jabatan Kastam Diraja Malaysia with our own Forwarding License WF0643.

The service industry is all about people. We are blessed to have a team of dedicated and passionate experts who go above and beyond to tailor every aspect of the supply chain cycle to meet the unique requirements of our customer's businesses. Whether streamlining operations, optimizing costs, or enhancing visibility, we are committed to delivering outstanding service at every step.

The global network of transportation providers is constantly evolving and expanding. Transportation and the exchange of goods and services are the essential lifeblood that drive today's global economic growth. The founders of Twin Prestige Logistic Sdn Bhd had the vision to create an association comprised by reputable moving companies that would be interested in improving the international moving industry. Responsibility and commitment to customers always be on top of company objective.

ABOUT US

Our goal is to improve and simplify the customer experience in managing their day-to-day freight import/export requirements. This includes (but not limited to) providing visibility, improving response times, and reducing human errors. Additionally, we aim to provide our service to all customers, large and small, with no additional cost.

Twin Prestige Logistic Sdn Bhd is a Malaysian incorporated freight forwarder. We provide services similar to any other freight forwarders, with the addition of a digital platform to track and manage customer shipments. We manage all shipment transactions with other suppliers, so the customer only needs to address us directly for any inquiries or issues regarding their shipments.

We offering you worldwide services and will advise you on the mode and routing to meet your deadline and cost. We will track your shipment from origin to required destination daily. By utilizing our network worldwide agents, we are able to control your freight and arrange door to door transport to meet your schedules anywhere in the world.

VISION

To become a leading Forwarding, Shipping & Customs Clearance total logistics solutions provider in the region.

MISSION

To provide innovative, high quality and cost effective Forwarding, Shipping & Customs Clearance services.

WHY CHOOSE US

FLEXIBLE TAILORED SOLUTIONS

We let our customers choose which is the best way for them to transport their goods. Depending on the customer's requirements, Twin Prestige is flexible to any terms as long as it is possible. We offer a full logistics service as well where you as a customer will not have to worry about the arrangements done at the back end of transportation.

WE CARE FOR YOUR BUSINESS

We know how important the customers are. For us, we know that the main source of our business is our customers, which is why we need to take good care of them. We treat every customer as our partners in business, hence, we always make sure that they are happy with the services we provide. Our agents will make sure that we will provide you with exemplary customer service aside from the transporting service that we will provide you.

PROBLEM SOLVING TEAM TO HELP YOU

We understand how unpredictable the shipping business is, which is why our team is trained to have good problem-solving skills. Our team knows the ins and outs of the shipping business and they apply their experiences to ensure that our customers will experience smooth transactions every time.

SERVICES

Freight Forwarding

As a freight forwarder, forwarder or forwarder agent, Twin Prestige Logistic Sdn Bhd organizes shipments for individual or corporations to get large orders from the manufacturer or producer to market or final point of distribution.

We move cargo ranging from raw agricultural products to manufactured goods and we are the best Supply Chain Management provider in Malaysia.

We usually provides a full range of services including : tracking inland transportation, preparation of shipping and export documents, warehousing, booking cargo space, negotiating freight charges, freight consolidation and etc.

Sea Freight

Sea freight is an eminent feature among the services offered by us. For your export, import and offshore traffic, we offer unsurpassed ocean freight services in cooperation with our agent all around the world.

SERVICES

Transportation

We provide our clients comfort of cargo transportation for their safe delivery, dispatch and pick up. We also provide cargo pick up facility round the clock by our own fleet, transportation of cargo, custom cleared in hinterlands to international airports.

As our customers you enjoy speedy, efficient and reliable cargo transportation through a network of local branches and offices.

Our services comprises of :

- Cargo pick up facility round the clock by own fleets of close body trucks
- Transportation of air cargo
- Transport of goods from port of discharge to hinterland destinations in conjunction with our overseas partners
- "Door To Door" delivery of cargo

SERVICES

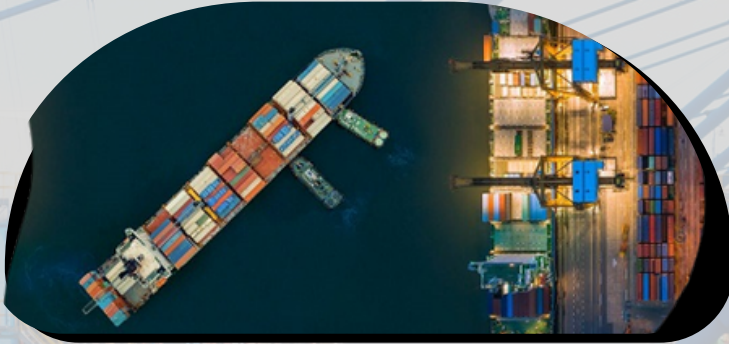

Warehousing

As a cargo warehouse agent providing high level professional warehouse services and responsible that is the assurance of the safe arrival of your product anywhere and anytime. This approach reduces cycle time while assuring constant availability of product. We offer special warehousing facilities for containerized, refrigerated and hazardous material.

Our warehousing services include:

- Secured cargo warehousing.
- Modern and well equipped warehouse facilities.
- Adequate insured private warehousing space.
- Safe storage of good.
- Control checks on entry & exit of goods.

SERVICES

Cargo Consol

We facilitate our customer by making cargo consolidation (by air and sea) which include the transportation of cargo in container, custom process of shipping documents, use of premium air or shipping line and make sure that the cargo will reach the destination well before the time given by our reputed customer.

We will manage all the process of cargo consolidation together to provide better freight rates and security of cargos.

Cargo Packing

We can arrange collection of your goods followed by preparation, packing and export documentation. We specialize in handling the nonstandard and make all arrangements to ensure it is carefully managed right until it reaches the final destination.

Our services includes:

- Picking, packing and labelling
- Loading/unloading and storage
- Palletisation of goods
- Full inventory control
